

The background of the entire page is a light cream color. It is decorated with a pattern of concentric circles in various shades of olive green and brown. Some circles are solid, while others are just outlines. A dark brown, stylized tree branch enters from the top right and curves downwards towards the bottom right corner. A dark brown horizontal bar is positioned near the top left, containing the word 'drawers' in white.

drawers

Drawers are the key elements to any piece of furniture or cabinet. Providing practical and functional storage, drawer boxes are not just a structural element but a complete storage solution.

drawers

VanBeek's manufactures dovetail drawer boxes to fit the needs of all individuals. From budget minded Baltic Birch Plywood boxes to the most exotic woods found on the planet, we can create the boxes you need, the way you want them. When it comes down to the size, type of wood and options available, VanBeek's has you covered.

construction

dovetail solid wood

- 1/2" or 5/8" thickness
- Many species available
- Finest furniture quality construction

dovetail 5/8" baltic birch

- Same quality construction using a 5/8" multi-ply baltic birch ply

butt joint

warranty

VanBeek's Custom Wood Products guarantees all of its products for one year from the date of shipping. Guarantees do not apply in cases of improper storage, handling, or finishing on the part of the customer.

Upon receiving the order, sizes and quality of our product should be verified. Unfinished products need to be finished as soon as possible due to the wood's susceptibility to climate conditions. VanBeek's will not take responsibility for finishing or labor costs in the event of product replacement.

All doors up to 24" wide and 48" tall are guaranteed against warpage and squareness within 1/8". Doors that exceed these dimensions are not guaranteed.

Doors over 40" tall must be constructed of two panels in order to be guaranteed. All doors over 40" tall will automatically be made with two panels unless otherwise specified.

Slab drawer fronts carry the same guarantee as doors with a maximum guaranteed size of 36" wide and 12" tall.

shipping

Depending on the size, weight, and destination of the product, we choose the most efficient and cost effective shipping method for your shipment to arrive safely and in a timely fashion.

Taking pride in the quality of our products, we do our best to ensure that everything is protected and packaged to the best of our abilities. We also selectively choose our carriers to ensure that careful and precautionary handling of the product is first priority.
